MASTERS BUILDING SOLUTIONS

Masters Automation

Masters Automation is a leading supplier of building automation systems (BAS), offering one of the most comprehensive lines of controls solutions in the industry. Our goal is to listen to our customers needs and to develop customized controls solutions that are specifically tailored to maximize functionality and value.

- Healthcare Facilities
- College & Universities
- Laboratory, Vivarium, Clean Room, Critical Pressure Control Environments
- Commercial Office Buildings
- Airports
- Industrial
- Light Commercial Office Buildings
- Government
- K-12 Schools
